AMERICANS FOR A SAFE ISRAEL

Advocating For A Sovereign Israel

**Celebrating in Jerusalem -
Capital of Israel**

The educational Zionist organization dedicated to asserting Israel's biblical, historical and legal rights to the whole land of Israel –

AFSI'S LIFE-CHANGING SEMI-ANNUAL CHIZUK MISSIONS TO ISRAEL

Since 1994 Mission participants have gained insider insights into:

- Jerusalem – Israel's capital city - toured the Old City, the Temple Mount, the cemetery at the Mount of Olives, the Jewish presence in eastern Jerusalem
- Hebron, the city of our Matriarchs and Patriarchs
- Tsfat, the mystical city in the Galilee
- Judea and Samaria - Yitzhar, Itamar, Kedumim, Shilo, Eli, Bet-El, Chavat Gilad, Elon Moreh, Psagot, Kfar Tapuach, Tekoah, Alon Shvut, Ariel, and more - where we have strong bonds with the residents.
- The Gush Katif residents who are now, many years after the expulsion, building new homes. We strengthen them and their new communities.
- The Women In Green, currently developing Oz V'Gaon, a new parkland dedicated to the boys—Gilad, Naftali, and Eyal, near the site where they were killed.
- Sderot, Arad, the Golan, the Jordan Valley, Akko, Nazareth, Jaffa, Lod, Ramle, southern Tel Aviv and the Hesder Yeshivot, which are the anchors for Jewish life in many of the cities.

We enjoy the cultural delights of Jerusalem, Netanya, Tel Aviv, the Kinneret, and the famous wineries of the Golan and the Judean hills.

We support applying Sovereignty to Judea and Samaria, and reaffirming Israel's control over the Jordan Valley so that the self-defeating pressure from foreign countries to diminish Israel will be ended. Jerusalem must remain the undivided capital of Israel as demonstrated by the 2018 move of the U.S. Embassy to Jerusalem.

AFSI ACTIVITIES PROMOTING THE ZIONIST DREAM

EDUCATION

- **IF NOT US**, our Youth Program in Israel is bringing thousands of students attending gap year programs in Israel on free day trips into Judea, Samaria, the Jordan Valley and areas currently experiencing conflict. Students are learning the truth about Israel and understanding the importance of a whole Israel. The goal is to have them return home with the ability and desire to **spread the truth** to their families and friends and **stand up for Israel**. Extending the education further, we have developed an Ambassador Program to identify selected youth with leadership potential and give them professional training in order to help them **emerge as strong young advocates for Israel**. They will **stand with Israel** as part of Am Yisrael. We feel this is the next frontier in **Israel Advocacy**.
