

TORAH AND ISRAEL FOR ALL

DORSHEI TORAH V'TZION

STRENGTHEN UNITY OF AM YISRAEL

DTT seeks to strengthen the bonds between Jews in Israel and the Diaspora and promote initiatives that deepen understanding between the two communities. We also encourage and support Aliyah to Israel and helping those individuals and communities who want to settle in our national homeland.

ZIONISM AND SUPPORT FOR ISRAEL

DTT will work to increase support for Zionism and the State of Israel amongst Jews and non-Jews alike in the political realm and civil space. It will work to combat anti-Zionism and those who seek to delegitimize the State of Israel and its right to exist.

EMPOWERING WOMEN

DTT supports systemic legal changes that protect, support and empower women. We seek to expand the spiritual, ritual, intellectual and political opportunities for women. We support finding and implementing a sustainable solution to put an end to the Agunah crisis. We seek to advocate for meaningful participation and equality for women in family life, synagogues, houses of learning and Jewish communal organizations. We also seek to raise awareness of and address the growing trends that exclude women from policy making decisions, public performances, and that erase images of women and girls from advertisements and publications.

PEACE AND SECURITY

DTT is committed to supporting efforts to find a just and viable peace for Israel as a Jewish and democratic state, with security and dignity for all, including the Palestinian people.

RELIGIOUS PLURALISM

DTT supports efforts to strengthen the Jewish identity of Israel as a state and to connect individual Jewish Israelis to their heritage. We support efforts to allow multiple religious options in the public and private sphere which reflect the reality of the State of Israel as the nation state of the entirety of Klal Yisrael, including efforts to give Israelis choices in kashrut supervision, halakhic paths to conversion, weddings, and prayer spaces for all at the Kotel.

SUPPORT YESHIVOT AND MIDRASHOT FOR MEN AND WOMEN

We believe that Yeshivot and Midrashot in Israel strengthen the soul and spirit of the nation alongside the contributions of the entire educational system in Israel which trains people to function as productive members of society. We particularly support the institution of Yeshivot Hesder which has given the IDF some of its finest and dedicated soldiers and officers.
