

AID COALITION (America-Israel Democracy)

The Israeli-American Voice to Rebuild Israel

Our Vision

There are certain moments in history when we need the right people in the right places to make the right decisions; These people will know what it means, how it feels, what is required, and how to get the job done. Rebuilding the state of Israel after the October 7th attack is one of these pivotal moments.

In these moments, people like you will make a small, tiny decision to vote—a decision that will help rebuild the future of Israel and provide hope.

AID COALITION brings together Israeli-Americans with deep ties to Israel to lead efforts for a stronger future. We collaborate with Israeli organizations to address critical needs while contributing unique perspectives of Israelis based in the U.S.

Why Your Vote Matters

Israeli-Americans make up 10% of the Jewish community in the U.S. and as such should have a proportionate share of the World Zionist Congress budget. By voting for AID COALITION, you're advocating for your interests and the Israeli-American voice.

We are a diverse team of leaders with expertise in technology, entrepreneurship, civil management, and more. We're committed to using our skills and resources to rebuild Israel swiftly, effectively, and stronger than ever.

Our Mission

- ☆ **Rebuild Communities:** Support long-term recovery in the hardest-hit areas, prioritizing sustainable infrastructure
- ☆ **Foster Unity:** by being an Israeli living in the US and understanding both cultures, interests, and visions we have the availability to be a bridge and assist, translate, and communicate Zionist values and ideas
- ☆ **Promote Democracy:** Safeguard Israel's democratic character through inclusive decision-making and transparent initiatives
- ☆ **A home away from home** – whether you are liberal or conservative, traditional or secular, we are committed to representing your interests, desires, and needs within the local community where you reside in the United States
