Dear Mr. President:

The American Zionist Movement thanks you for visiting Israel today. Your unprecedented, unwavering and steadfast support for Israel and the Jewish people since the barbaric Hamas attack is so meaningful. Your firsthand expression of solidarity with Israel is greatly appreciated by our community and an important affirmation of 75 years of United States friendship with Israel. We thank you and your Administration for the extensive diplomatic and military support that is being provided to Israel as it wages war against Hamas and all those who seek to destroy the Jewish state.

As American Jews we are especially proud of our country at this moment when we stand together fighting evil hatred and terror.

Sincerely,

Deborah Isaac
