

**CLUB Z** is a national Zionist youth movement, cultivating the next generation of proud, articulate and active Jewish leaders.

## PROGRAMS

### THE CLUB Z INSTITUTE

is a yearlong nuanced academic program for teens consisting of an opening retreat, 15 educational meetings, a National Conference and social activities.

### NATIONAL CONFERENCE

is an annual gathering of teens from across North America for a weekend of learning, inspiration and skill-building. From sessions with world-renowned Israel experts to advocacy training workshops, this immersive experience empowers teens to become informed and impactful leaders.

### ISRAEL JOURNEY

## CLUB Z'S IMPACT

**EDUCATION:** Teens gain a comprehensive understanding of Israel and the Middle East, Jewish identity and Zionism. They acquire the tools they need to take a stand for the Jewish people and to combat antisemitism.

**LEADERSHIP DEVELOPMENT:** Teens develop and strengthen their writing, public speaking, networking and presentation skills through hands-on experiences that prepare them to lead their communities when they arrive at college and beyond.

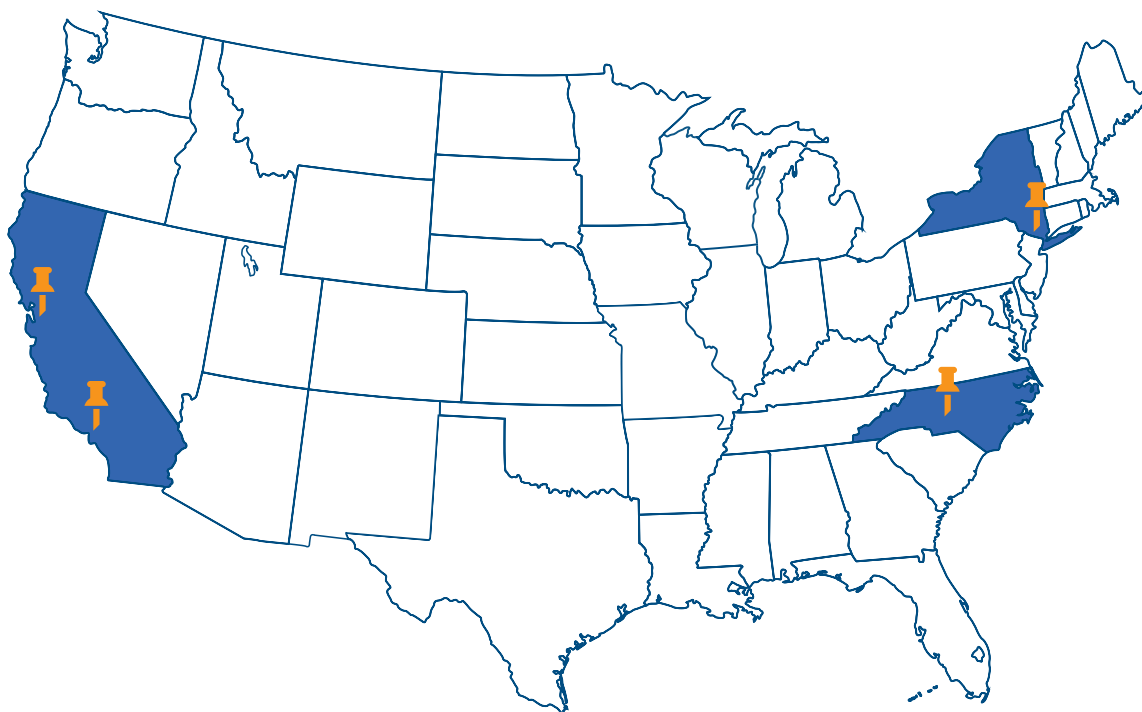

**ADVOCACY TRAINING:** Teens acquire the skills to know when, where, and how to speak up, build alliances, and effectively deliver a message of pride for Zionism and Israel.

**ALUMNI NETWORK:** Club Z graduates join a powerful alumni network of hundreds of students from coast to coast who fight antisemitism head-on and are on the front lines of Israel advocacy.
