

ERETZ HAKODESH

ERETZ HAKODESH PLATFORM:

A VIBRANT ISRAEL ROOTED IN TORAH

Eretz HaKodesh stands for a strong dynamic Israel illuminated by the teachings of Jewish tradition.

JEWISH VALUES BASED ON TORAH

Eretz HaKodesh believes that classical Jewish values of Torah as taught for millennia should play a central role in modern Israel.

JEWISH LEARNING AND EDUCATION

Eretz HaKodesh believes that it is essential that Jews have a deep understanding of the beauty and depth of Jewish learning and tradition. We will work to promote Jewish educational programs for young and old in Israel and around the world.

AHAVAT YISROEL

Eretz HaKodesh believes that a key to the Jewish future is the principle of Ahavat Yisroel, the unconditional love and concern for all Jews, regardless of background or level of religious observance. Eretz HaKodesh will strive to ensure that the bond between all Jews be strengthened.

ECONOMIC OPPORTUNITY

Eretz HaKodesh will strive to bolster Israeli society by creating economic opportunity for all, in particular those with limited skills and living below the poverty line. Eretz HaKodesh will strive to create programs to integrate Jews of all backgrounds into the workforce to make Israel a country of opportunity for all.

SECURITY

Eretz HaKodesh believes in a strong and secure Israel. Israel should never make compromises that may endanger the security of its citizens.

DIASPORA JEWRY

Eretz HaKodesh believes that all Jews share a common history and destiny reaching back to Mt. Sinai. We will endeavor to strengthen that bond with a focus on Jewish learning imbued with Ahavat Yisroel.
