WHY VOTE FOR IAC?

JEWISH UNITY • אחדות עם ישראל

The IAC promotes unity by producing a **vibrant, engaged,** and **unapologetically confident** Israeli-American and Jewish-American **community**, regardless of observance level or partisan affiliation, as part of one **global Jewish family**.

NEXT-GENERATION IDENTITY • זהות הדור הבא

We enhance the **Jewish and Israeli identity** among children, youth, and young adults through **educational programs** rooted in nationhood, Judaism, Zionism, Hebrew, and a deep love and connection to Israel.

INFLUENCE ON POLICY • השפעה על מדיניות

To ensure that U.S **support for Israel** will never waiver under any circumstances, the IAC engages in strategic policy advocacy, advances anti-discrimination and anti-BDS legislation, and leverages relationships with decision-makers.

COMBAT ANTISEMITISM • לחימה באנטשמיות

The IAC **combats all forms of antisemitism**, including anti-Zionism, by **aggressively responding** to antisemitic incidents; **attacking the ideological sources** of Jew-hatred; **securing the safety** of the Jewish community; **forcing schools and universities** to create a nurturing environment for Jews; and **promoting philosemitism** through education and programs.

ISRAELINESS • ישראליות

We integrate **Israeli culture, language, and ethos** into American Jewish life, ensuring the **Israeli voice** is central and vibrant within the **global Jewish narrative**.
