

Israeli Educators

Morim Shlichim

The mission of the World Zionist Organization (WZO) is to guarantee the future of the Jewish people through Jewish and Zionist Education and study of the Hebrew language. You, as leaders of Jewish education around the world, are our principal partners in this endeavor and it is our goal to assist you by working with you to enhance your most important resource - your staff.

Why should I bring an Israeli Educator?

I want Hebrew to be an important part of my school.

I want my students to have a meaningful connection to the land of Israel and its people.

I want passionate educators who bring an Authentic Israeli voice and a true love for Jewish heritage, Hebrew and Israel.

Why choose the WZO?

- ▶ **Experience:** Every year, 200 experienced Israeli educators are posted in schools across the world.
- ▶ **Recruitment:** We recruit qualified and professional teachers, representing all streams of Israeli society, providing a wide selection of teachers.
- ▶ **Screening:** The Shlichim are selected following a rigorous screening process, specifically designed to identify their talents and capabilities.
- ▶ **Tailored for your school needs:** According to the school's request, the WZO matches the school with the most suitable Teacher.
- ▶ **Visa sponsorship:** We sponsor the teachers work visa.
- ▶ **Training and support:** The Shlichim undergo a training program in Israel prior to their arrival, to guarantee your school a well-rounded, motivated and confident Israel educator. The Shlichim receive ongoing training throughout the year.

How do I apply for a WZO Israeli Educator?

Contact us, fill in a request form, we will search for the right candidates and you will interview and make your choice.

*When you include a Shaliach in your staff,
you are not just recruiting a teacher. You are bringing
Israel directly to your school.*
