ON THE FRONTLINES FOR ISRAEL

ON THE FRONTLINES FOR ISRAEL

OIC – Mizrachi is a broad-based coalition led by slate sponsors Religious Zionists of America-Mizrachi (RZA) and AMIT, that has represented the Religious Zionist community in the World Zionist Congress for over 120 years. Dedicated to the timeless values of the Torah and the centrality of the Land and State of Israel in Jewish life, we serve the entire Jewish people with educational programs and services in Israel and throughout the world.

Our Members include the major Orthodox Zionist Institutions in the United States: RZA, AMIT, Orthodox Union, Yeshiva University, Rabbinical Council of America, National Council of Young Israel, Touro College, Torah MiTzion, Bnei Akiva, Shvilim, UMJCA and other affiliate institutions.

THE OIC OPERATES ON THE FRONTLINES IN EVERY ASPECT OF SERVICE TO ISRAEL AND THE JEWISH PEOPLE:

ON THE FRONTLINES DEFENDING ISRAEL

The Religious Zionist (dati leumi) community makes up a disproportionately large percentage of the fighting forces of the IDF relative to our percentage of the population and sadly, a disproportionately high number of the fallen soldiers since October 7th are from the Religious Zionist community as well. This commitment to Torah values together with IDF service is a defining value of our coalition.

ON THE FRONTLINES FOSTERING JEWISH UNITY

At a time of dangerous polarization and extremism, OIC - Mizrachi representatives are **on the frontlines** working to build bridges and unity within the WZO, standing for Torah values with darchei noam, working to avoid polarization and build consensus at a time when the very existence of Israel and the Jewish people is threatened.

ON THE FRONTLINES STRENGTHENING GLOBAL JEWISH EDUCATION AND TORAH INSTITUTIONS

Our work **on the frontlines** of Jewish and Israel Education includes strengthening the gap year experience for thousands of participants annually as a transformative year of leadership; supporting Yeshivot and Seminaries educationally and financially; and sending hundreds of Shlichim to college campuses, schools and communities across the world.

ON THE FRONTLINES OF THE GLOBAL BATTLE AGAINST ANTISEMITISM

Since October 7th we have seen an unprecedented outburst of antisemitism across the globe aiming to delegitimize and destroy Israel and spread hatred of Jews. We are actively supporting education and activism **on the frontlines** to strengthen the unbreakable link between Judaism and the Land and State of Israel.

ON THE FRONTLINES BUILDING COMMUNITIES ACROSS ISRAEL

Our coalition is **on the frontlines** leading the development of border and peripheral Israeli communities in the Golan, Galilee, Negev, Judea and Samaria as well as rehabilitating the war-affected Regions of the Gaza Envelope and Northern Israel.

ON THE FRONTLINES OF JEWISH DESTINY, WITH YOUR HELP

Since October 7th 2023, hundreds of thousands of IDF soldiers were issued a "Tzav Shmoneh" (emergency call-up) to fight in the war. The extended Jewish community has likewise been issued our "Tzav Shmoneh". The religious Zionist movement has consistently answered the call through our steadfast dedication to Eretz Yisrael, Torat Yisrael and Am Yisrael.

Join the OIC-MIZRACHI on the frontlines by voting SLATE #5 in the WZO election and ensure that the work we do can continue to build a stronger and safer Israel.
