At Passover we celebrate the transition from slavery to freedom. In our reality while **133 Israelis** are being held hostage by Hamas, it is our duty not to forget them and to do everything we can to get them free.

This year, in addition to setting out a cup for 'Elijah the prophet' at the Seder table, we pray for the return of all the hostages, and **reserve 'one seat'** for them at our table. Please place this card at an empty seat at your table and ask yourself a fifth question: what can we do to help bring the hostages home?
