Experiences enabling a meaningful connection with Jewish life and values through a pluralist lens

Connecting teens and young adults with the history, land and people of the Jewish state

Inspiring upcoming generations through powerful informal learning and hands-on experiences

## Who We Are

We are America's oldest Zionist youth movement, turning spirited Jewish youth of diverse backgrounds and orientations into engaged leaders and inspired activists with a life-long commitment to Israel, Jewish life and tikkun olam (repairing the world). Through immersive informal and experiential education, Young Judaea fosters a sense of value and love for Jewish tradition and ritual and pride in the Jewish people, Israel and being Jewish.

Young Judaea engages with more than 6,000 participants annually.

## Year Round Experiences

## Israel Programs

### Day Camps

In Brooklyn and Westchester, day camps provide the magic of Jewish summer camp, including Hebrew immersion, to the youngest Judaeans.

### Local Communities

Inspiring participants to discover their Jewish identity and love of Israel while making an impact through programs in local communities across the United States.

### Teen Summer

Teens explore Israel with new and old friends, discovering the best that Israel has to offer through Young Judaea's renowned educational programming.

### Regional Overnight Camps

Across the country, regional camps - Camp Judaea (NC), CYJ Texas, CYJ Midwest (WI), and Sprout Lake (NY) - share a focus on pluralistic Jewish values and Israeli culture.

### Conventions

On the national and regional level, committed teens gather throughout the year to learn, lead, take action, have fun and be Jewish - together!

### Gap Year

Based in Jerusalem and Tel Aviv, Year Coursers learn and volunteer across Israel, preparing for college and exploring what Israel and being Jewish means to them.

### National Teen Overnight Camp

Tel Yehudah in upstate New York provides experiential education, activism and leadership development connecting generations of high school students to Israel and the Jewish people.

### Alternative Winter Break

Hundreds of teens have helped communities recovering from disaster and hardship, through extensive volunteer work on the ground and learning from community leadership about the issues involved every year since 2007.

### Young Adult

Whether short or long term, our internship-based programs give young adults (students, professionals and artists) the opportunity to explore their passions working for top Israeli companies, NGOs, and with art and culture influencers.
